

WHAT DOES CONSENT MEAN?

Consent means free and voluntary agreement.

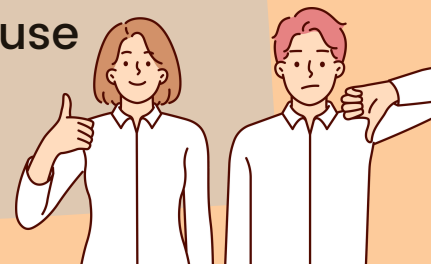

A PERSON DOES NOT CONSENT JUST BECAUSE...

- They do not resist the act verbally or physically
- Of previous sexual behaviour

Under the law, everyone has a responsibility to do or say something to find out if the other person or persons are consenting.

Consent is required for each separate sexual act and can't be assumed.

No one is obliged to say 'yes' just because they have said 'yes' before.

Youthlaw Victoria is located on the traditional country of the Wurundjeri people of the Kulin Nation. We acknowledge them as the Traditional Owners and pay our respects to their Elders, past and emerging. Sovereignty was never ceded.

Youthlaw Victoria is a proudly inclusive organisation and an ally of the LGBTIQ+ community.

Youthlaw acknowledges the support of the Victorian Government.
